● Now – make confident decisions without mastering Tenancy and Credit report codes.

SCOREVista® does even more than recommend safe leasing decisions! For every unbroken consecutive 12 months in good standing, residents are awarded a Gold Star seal, and are certified as GoldStar Residents.

● SCOREVista® can evaluate tenancy applicants anywhere in Canada and the US.

SCOREVista® averages credit and rent scores in one comprehensive numerical ranking. See your applicant's complete tenancy, criminal (US applicants only) and financial background status at a glance, without learning complex codes.

● What recommendations does SCOREVista® report?

SCOREVista® recommendations include APPROVE, CONDITIONAL, REVIEW, DECLINE, or CRIMINAL. These categories are generated through our confidential Rentscore® formula, which analyzes thousands of interrelated factors in an applicant's background.

● Where is SCOREVista® available?

SCOREVista® is available only to Rent Check Credit Bureau members and covers tenancy applicants from Canada and the US.
